### Thought for the Week – from Caroline

What we need is to love without getting tired. How does a lamp burn? Through the continuous input of small drops of oil. What are these drops of oil in our lamps? They are the small things of daily life: faithfulness, small words of kindness, a thought for others, our way of being silent, of looking, of speaking, and of acting. Do not look for Jesus away from yourselves. He is not out there; He is in you. Keep your lamp burning, and you will recognise Him.
